

G10-BR

- Wide usage resin for General purposes

Keywords

- High Definition
- Superior surface finish
- Easy to use and post-processing

Color	Brown
Density(g/cm ³)	1.2
Tensile Modulus	3500Mpa
Tensile Strength	45Mpa
Elongation Break	4%
Flexural Strength	80Mpa
Flexural Modulus	3100Mpa
HDT @ 1.8 MPa	50°C

Characteristics

- Mock-up & Prototyping
- Sculptures & Figures
- Mass Productions
- Workability
- Impact resistance
- High detail and textured parts
- Cost-effective solutions
- Quick Production
